TZMI CONGRESS 2015

FIELD TRIP: CHTi MA'ANSHAN TiO₂ PLANT

We are pleased that you have chosen to attend the TZMI Congress Field Trip to CHTi's TiO₂ plant in Ma'anshan.

This document sets out the agenda and will advise you on where to be, what to bring and what to expect.

TO FINALISE YOUR REGISTRATION PLEASE COMPLETE AND RETURN THE ENCLOSED REGISTRATION FORM.

WHAT TO BRING

This is an overnight trip. We recommend storing the majority of your luggage at the Jing An Shangri-La so you can take a smaller travel bag. Please notify us prior to the departure day if you would like to us to arrange luggage storage.

Please ensure that you bring your passport with you for official verification on the train journey and for hotel check-in.

A business card exchange will be arranged, so please bring business cards if you wish to be involved.

If you require anything further, please do not hesitate to contact:

SAFETY

You will be given all necessary safety equipment. This is a working sulfate TiO₂ plant and some higher risk areas like digestion, black liquor conditioning and TiCl₄ plant will be off limits.

CHTi will show as much of the plant as they believe can be shown safely to a group of 25 visitors. Please be aware that at any sulfate TiO₂ plant, environmental health and safety hazards may include noise, dust, moving machinery, airborne sulphuric acid discharge, flammable gas escape, other hazardous fumes, high temperatures and chemical hazards.
